

The National Institute on Aging (NIA) Imbedded Pragmatic AD/ADRD Clinical Trials (IMPACT) Collaboratory works to build the nation's capacity to conduct pragmatic clinical trials of interventions embedded within health care systems for people living with dementia and their care partners. The IMPACT Collaboratory will host free webinars on the 3<sup>rd</sup> Thursday of each month at 12 noon ET addressing these issues. If you are not yet on our mailing list, [join here](#) to receive IMPACT updates and reminders. Registration is not required, and we will have a recording of the webinar as well as a companion podcast available after the event on our website, [impactcollaboratory.org](http://impactcollaboratory.org)
