

## Training Workshop Agenda

Virtual Meeting (Zoom)

Wednesday, January 25, 2023 | 11:00 AM - 3:30 PM ET

Thursday, January 26, 2023 | 11:00 AM - 5:00 PM ET

### Goals:

1. Transmit knowledge about designing and conducting ePCTs among PLWD and care partners in health care systems that integrates considerations related to identifying PLWD and ascertaining pragmatic outcomes
2. Problem-solve challenges experienced by trainees in their current or planned ePCTs
3. Facilitate networking between trainees and IMPACT investigators; engage trainees in networking experiences with investigators and peers within the IMPACT community and help foster future collaborations

### This year's modules will focus on:

- Using real-world data to **identify PLWD and ascertain outcomes** in ePCTs
- **Evaluating the implementation** of a dementia care intervention for an ePCT
- Defining a pilot: **What is a pilot study for an ePCT?**
