

NIA IMPACT
COLLABORATORY
TRANSFORMING DEMENTIA CARE

Grand Rounds

The National Institute on Aging (NIA) Imbedded Pragmatic Alzheimer's Disease (AD) and AD-related dementias (ADRD) Clinical Trials (IMPACT) Collaboratory works to build the nation's capacity to conduct pragmatic clinical trials (ePCTs) of interventions embedded within health care systems for people living with dementia and their care partners. The IMPACT Collaboratory hosts free webinars on the 3rd Thursday of each month at 12 noon ET addressing these issues. If you are not yet on our mailing list, [join here](#) to receive IMPACT updates and reminders. Registration is not required, and a recording of the webinar as well as a companion podcast will be available after the event on our website, impactcollaboratory.org.

“Strategies to implement ePCTs in home and community-based settings – issues and successes in Assisted Living and Adult Day Centers”

January 18, 2024
12:00 – 1:00 pm ET
